

New Forest Log Cabins

Introduce a range of high quality solid log buildings, whatever your needs.....

Custom design in solid log and tailor made to meet your individual needs!

Hand crafted log chalets & mobile homes to reflect your taste and lifestyle...

The big difference is that our log buildings are hand built and have many advantages over conventional offerings such as exceptional value for money, low environmental impact, beautiful to look at and ecologically sound.

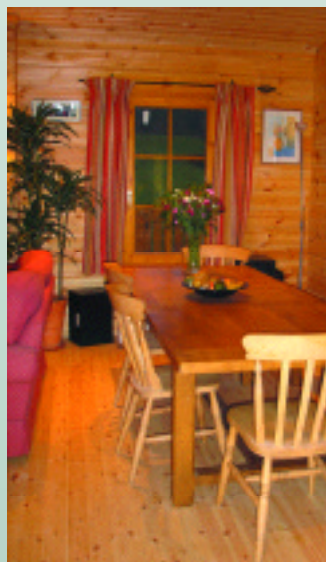

Our products range from the one bedroom chalet to the most spacious log houses and provide you with choice and unbeatable excellence built in as standard.

New Forest Log Cabins offer a bespoke design service to give you exactly what you want at no extra cost with all materials and labour guaranteed for six years. All our log buildings come with double glazed windows and doors, solid wood floors and roof boards and all finished to an exceptionally high standard.

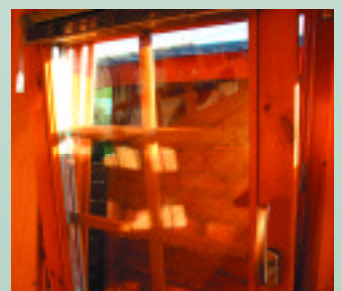

Your chalet and home...

Here at New Forest Log Cabins we pride ourselves on supplying a complete range of quality timber products. We have a great team to design and produce the chalets and houses, using Swiss milling machinery to deliver a superior product engineered to the highest quality.

The log cabins have high quality fixtures and fittings which unlike many lodges, these log cabins are constructed from logs sourced from sustainable forests and built on site by craftsmen using traditional methods.

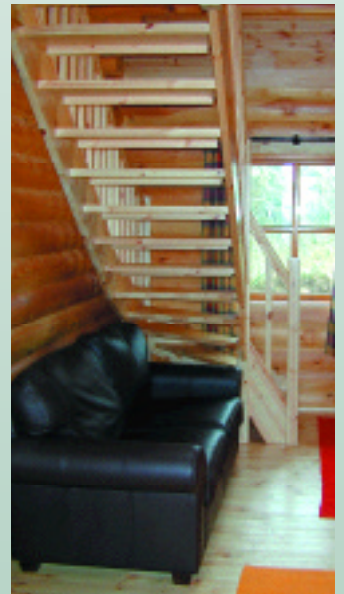

Solid Log Homes and Lodges...

Beautifully designed and expertly crafted our log chalets, houses and lodges are built to meet full UK Building Regulations and you have the choice of square or round log which are manufactured with the utmost care and attention to detail.

We place particular emphasis on energy saving and thermal efficiency and for that reason all of our log buildings have double glazing and high levels of insulation built in.

Opening the door to a new way of living...

Our customers need us to have a flexible approach from design to build and working with other trades to ensure a seamless and timely construction of your unique Pool houses and Pool side Cabin. We offer a custom made design service and supply all drawings to assist with planning permission with elevation drawing and floor plans.

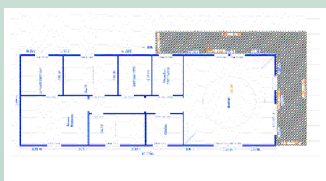

Incorporated into the cabins or pool house enclosure can be shower rooms, saunas, bar areas, WC, pump rooms and much more.

Commercial Log Cafes, Classrooms and Visitor Centres...

Working in harmony to achieve great results...

Because no one style of log building suits all, we offer a design service that ensures you get exactly what you want through our custom build program.

No matter how large a log building you require, we are on hand to assist you. Our design team will work with you to produce a plan that incorporates the style and needs of the individual.

For those clients who would like professional help and assistance in creative design, assistance with planning, site development, or a combination of all three, then why not take advantage of our service.

Why do our customers buy from us?

The feedback we have had from our customers, without exception, is that the log house, chalet, pool house enclosure, cafe or visitor centre they bought from us have exceeded their expectations, which is hardly surprising since our aim is to continue to

provide top quality products and excellent value for money which we set out, and have achieved throughout the design, manufacturing and build process.

Don't just take our word for it...

"Now that the log cabin is finished I felt I had to write to you to thank you and your team for all the hard work and attention to detail that you applied to this project. The finished product has exceeded our

expectations and we are completely delighted with the workmanship, the design and the 'Wow' factor.

The men who built the cabin were a credit to you. I wish I could have a couple of them here full time!!

Everyone who visits the log house is impressed."

Bill - Cheshire

"Just a quick note thanking you for four fantastic looking log cabins. They all look great and were erected by very professional tradesmen and dealing with New Forest Log Cabins was a pleasure and any problems

were dealt with very swiftly. I would like thank you and all the team at New Forest Log Cabins."

Gary - Kent

"We are so pleased with the quality of our log chalet. The construction went smoothly and there were no problems at all with assembly and excellent after sales support. It is not only

extremely practical it is also a stunning garden feature. The children love going outside to play pool in it. I have to say that we are absolutely thrilled and it certainly has the "WOW" factor we were looking for."

Chris and Anita - Dorset

"I felt I must write to you today to thank you and your guys for doing such a fabulous job in erecting my new sales office facility. You promised me a top-notch log cabin, and it wasn't just sales talk!!

Thank you all for a wonderful job and a fantastic quality product. Please feel free to use us as a reference, and I am happy to be contacted by any prospective customer who would like to see your work in the flesh."

Many thanks from both Sophie & me - Guildford
